MONOCROME OF WASHINGTON.—The design for an Engraving from "Peale's Washington," as formerly announced by the author, not being realized according to his intention, all thought of it, for a time, was suspended. As that object could not be accomplished by confiding the task to another hand, he has been induced to undertake, to a limited extent, a more effective substitute—The HEAD, FULL SIZE, finished in Crayon, on a Lithographic ground. These Monocromes, by himself, from his original Portrait, he trusts will be favorably appreciated. To be had at
